“For Kauai’s Affluent Traveler”

American Airlines gives a Special Gift Edition of Kauai Magazine to their arriving Kauai passengers.

Ad-Max™ Program and Beyond the Street™ Distribution

With our Ad-Max™ Program and Beyond the Street™ Distribution, Kauai Magazine gives you more “eyeballs per page” than any other Kauai publication. With an annual readership of over 1 million (per PKF Hawaii, CPAs) and very competitive pricing, the cost for a Full-Page ad is only about a half a penny per reader.

Ad-Max™ Program

With our Ad-Max™ Program, you get 5 ads for the price of 1. We are the only channel (publication; source; magazine; etc.) that gives you multiple ads in multiple editions for multiple exposures for the price of 1 ad. Even if you were to buy an ad in every other Kauai publication possible, you still would not receive exposure as broad as you get by buying just 1 ad from Kauai Magazine and appearing in all our Editions.

Beyond the Street™ Distribution

More than just a street publication, our multiple, targeted editions give you multiple chances to catch the attention of Kauai’s residents and affluent travelers plus the broadest exposure to the market, both on and off island, on and offline. For example, our American Airlines Edition is the only publication of any kind at the Lihue Airport that is available at an arrival or departure gate inside Lihue Airport. You cannot buy this critical airport exposure anywhere else at any price -- and the State reports that 8,100 people come through the Lihue airport every day.

We are also the only Kauai magazine sent to Paid Subscribers in their homes & offices and to libraries (both in Hawaii & on the mainland). And, of course, we are available in street racks, too. Beyond the Street™ Distribution puts your ad in front of more eyeballs in more places.

BestPlacesHawaii.com Online Exposure Included @ No Charge !

You receive online listings on up to 15 different pages plus run-of-site Text Box Banners on BestPlacesHawaii.com -- that’s up to a \$1,295 value -- included with your magazine ad placement at no extra charge:

- Over 7.7 million Hits/month.
- Over 2 million Page Views/month.
- Over 265,000 User Sessions/month.
- High placement in Search Engines.

This online exposure drives traffic to your Web site and you will:

- Never pay us for a click ...**
- Never pay us for a keyword ...**
- Never pay us a commission !!**

Bottom Line? What are you missing?

If you are not in Kauai Magazine, then there are “eyeballs” that may never see your ad beyond the street. 80% of our distribution is Beyond the Street™ Distribution (online & offline), so if your print advertising is only in street magazines, you are missing exposure to up to 80% of your potential market – and over-paying for the 20% of the market you reach. Connect with us today, so we can tell your story to more of the world.

We tell your story to more of the world, since we are the only Kauai magazine sent to Paid Subscribers in their homes & offices and to libraries (both in Hawaii & on the mainland). And, of course, we are available in street racks, too. Beyond the Street™ Distribution puts your ad in front of more eyeballs in more places. Connect with us today to attract more attention to your business.
